Description

Capgemini Recruitment 2024

Capgemini, a global leader in consulting, technology services, and digital transformation, invites visionary Cloud Architects to join our dynamic team. You'll play a pivotal role in shaping our clients' cloud journeys, crafting secure and scalable architectures that drive innovation and business growth. If you're a passionate technologist with a knack for problem-solving and a love for the ever-evolving cloud landscape, then let's build the future together!

Capgemini Jobs near me

Responsibilities:

- **Cloud Visionary:** Design and implement secure, scalable, and cost-effective cloud architectures aligned with specific business objectives.
- **Migration Maestro:** Lead cloud migration projects, overseeing data transfer, application modernization, and seamless transition to the cloud.
- **Technology Enabler:** Partner with stakeholders to understand their needs, recommend optimal cloud solutions, and ensure successful cloud adoption.
