Colgate Careers For Medical Laboratory Tech Post

Position: Medical Laboratory Technician

Location: Work From Home

About the Job

Colgate is looking for a Medical Laboratory Technician to join our team. This role is perfect for someone who is passionate about laboratory work and healthcare

products. You will work from home and assist in conducting tests and research that support the development of our health and oral care products.

(adsbygoogle = window.adsbygoogle || []).push({});

Key Responsibilities

- Perform laboratory tests and procedures as required.
- Analyze samples and document results accurately.
- Support research and development teams with data analysis.
- Maintain laboratory equipment and ensure proper functionality.
- Follow safety guidelines and protocols during lab activities.
- Assist in quality control and product testing for health products.
