Description

Job Vacancy in Mankind Pharma

About Mankind Pharma

Job Title: Pharmacist
Location: Various Locations (India)
Department: Pharmacy / Retail
Company: Mankind Pharma

Job Overview:

Mankind Pharma is seeking qualified and dedicated **Pharmacists** to join our team. The Pharmacist will be responsible for dispensing medications, providing advice to patients, and ensuring the safe and effective use of pharmaceuticals. This role requires a strong understanding of pharmacy practices, regulations, and a commitment to customer care.

(adsbygoogle = window.adsbygoogle || []).push({});

Key Responsibilities:

- Dispense prescription medications accurately and efficiently to patients.
- Provide expert advice and guidance on the proper use of medications, including dosages, side effects, and interactions.
- Review and interpret prescriptions from healthcare providers to ensure accuracy and appropriateness.

Hiring organization

Mankind Pharma

Date posted

September 17, 2024

Valid through

31.12.2024

APPLY NOW

- Maintain records of medications dispensed, inventory levels, and patient histories in accordance with regulatory standards.
- Collaborate with healthcare professionals to ensure patient safety and optimal treatment outcomes.
- Ensure the pharmacy operates in compliance with all relevant laws and regulations, including proper handling and storage of medications.
- Educate patients on the safe use of medical devices and over-the-counter products.
- Perform inventory management, including stock replenishment and managing expired or damaged products.
- Monitor medication therapy and make recommendations for dosage adjustments or alternative treatments if necessary.
- Stay updated on the latest pharmaceutical developments and maintain professional certifications.

Qualifications and Skills:

- **Educational Background:** Bachelor's degree in Pharmacy (B.Pharm) or Doctor of Pharmacy (Pharm.D). A valid pharmacist license is required.
- **Experience:** Prior experience as a licensed pharmacist in a retail or hospital setting is preferred but not mandatory. Freshers with the necessary qualifications are welcome to apply.
- **Skills Required:**
 - Strong knowledge of pharmacology, drug interactions, and patient counseling techniques.
 - Attention to detail and accuracy in dispensing medications and interpreting prescriptions.
 - Excellent communication and interpersonal skills.
 - Ability to work in a fast-paced environment while maintaining a high level of patient care.
 - Familiarity with pharmacy management software and systems.
 - Good organizational skills for managing inventory and maintaining accurate records.
