Description

MARUTI INFRASTRUCTURE LTD Careers – Electrical Engineer Post

Location: Work From Home

About the Job:

Maruti Infrastructure Ltd is hiring an Electrical Engineer to support our construction projects. You will be responsible for designing, reviewing, and maintaining electrical systems for various infrastructure projects. This is a remote position, allowing you to work from home while coordinating with the project team.

(adsbygoogle = window.adsbygoogle || []).push({});

Key Responsibilities:

- Design and review electrical systems for infrastructure projects.
- Ensure compliance with electrical standards and safety regulations.
- Collaborate with the project team to ensure timely completion.
- Troubleshoot and resolve any electrical issues on-site (remotely).
- Provide technical guidance and support to the team.
